Investor Relations

First Quarter 2026

Statements made in this presentation relate to CCU's future performance or financial results are "forward-looking statements" within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, which are not statements of fact and involve uncertainties that could cause actual performance or results to materially differ. Forward looking statements include, without limitation, any statement that may predict, forecast, indicate or imply future results, performance or achievements, and may contain words like "believe," "anticipate," "expect," "envisages," "will likely result," or any other words or phrases of similar meaning.

Our forward-looking statements are not guarantees of future performance, and our actual results or other developments may differ materially from the expectations expressed in the forward-looking statements. As for forward-looking statements that relate to future financial results and other projections, actual results will be different due to the inherent uncertainty of estimates, forecasts and projections.

Because of these risks and uncertainties, potential investors should not rely on these forward-looking statements. Our independent public accountants have not examined or compiled the forward-looking statements and, accordingly, do not provide any assurance with respect to such statements. No representation or warranty, express or implied, is or will be made or given by us or any of our affiliates or directors or any other person as to the accuracy or completeness of the information or opinions contained in this presentation and no responsibility or liability is or will be accepted for any such information or opinions.

Although we believe that these forward-looking statements and the information in this presentation are based upon reasonable assumptions and expectations, we cannot assure you that such expectations will prove to have been correct. The forward-looking statements represent CCU's views as of the date of this presentation and should not be relied upon as representing our views as of any date

subsequent to the date of this presentation as we undertake no obligation to update any of these statements. Listeners are cautioned not to place undue reliance on these forward-looking statements as such statements and information involve known and unknown risks. These statements should be considered in conjunction with the additional information about risk and uncertainties set forth in CCU's integrated annual report filed with the Chilean Comisión para el Mercado Financiero (CMF) and in CCU's 20-F for the year ended December 31, 2025, filed with the U.S. Securities and Exchange Commission (SEC).
